

**FINAL REPORT**  
**RESEARCH AWARDS**

*Please keep your answers short (ca. 200 words). As a rule of thumb, think about each of these responses as a blog piece for a broad readership, rather than an academic contribution to be read by field specialists.*

*Return this form to [workshop@indiana.edu](mailto:workshop@indiana.edu), with subject heading – Your last name, Research Award (Year) Final Report.*

Name:

Date:

What is the topic of the research you conducted with the funding?

Based on the goals discussed in the funding proposal, what were your main accomplishments?

How does the research contribute to the mission or the programs of the Ostrom Workshop?

What is the direction of your future research?

Did the funding lead to any resulting products, including publications, opportunities for future collaborations, opportunities for future funding, etc.?
