This is the first of two research summary sessions where participating faculty will share a brief synopsis of their current research. (Session II will be held on November 9.)

WAF members presenting their research on September 14 include:

William Bianco
William Blomquist
Eduardo Brondizio
Sanya Carley

There are currently 80 Affiliated Faculty, both locally and at institutions throughout the world, who support our research mission: to build upon the theme of *governance* to understand and address major societal problems (view the complete list at: <http://ostromworkshop.indiana.edu/people/waf.php>).

Presentations are open to the public. You are welcome to bring your lunch, and refreshments will be available. For questions, contact Allison Sturgeon (sturgeon@iu.edu; 812/855-3151).
